Keep any sharp object away from the bed frame.

HANDY HINT: If you keep the hardware in a bowl during assembly you will be less likely to lose them.

LACY MIDSLEEPER SAFETY WARNINGS AND GENERAL NOTES: IMPORTANT - READ CAREFULLY - RETAIN FOR FUTURE REFERENCE

WARNING - High beds and the upper bed of bunk beds are not suitable for children under six years due to the risk of injury from falls.

WARNING - Bunk beds and high beds can present a serious risk of injury from strangulation of not used correctly. Never attach or hang items to any part of the bunk bed that are not designed to be used with the bed, for example, but not limited to ropes, strings, cards, hooks. belts and bags.

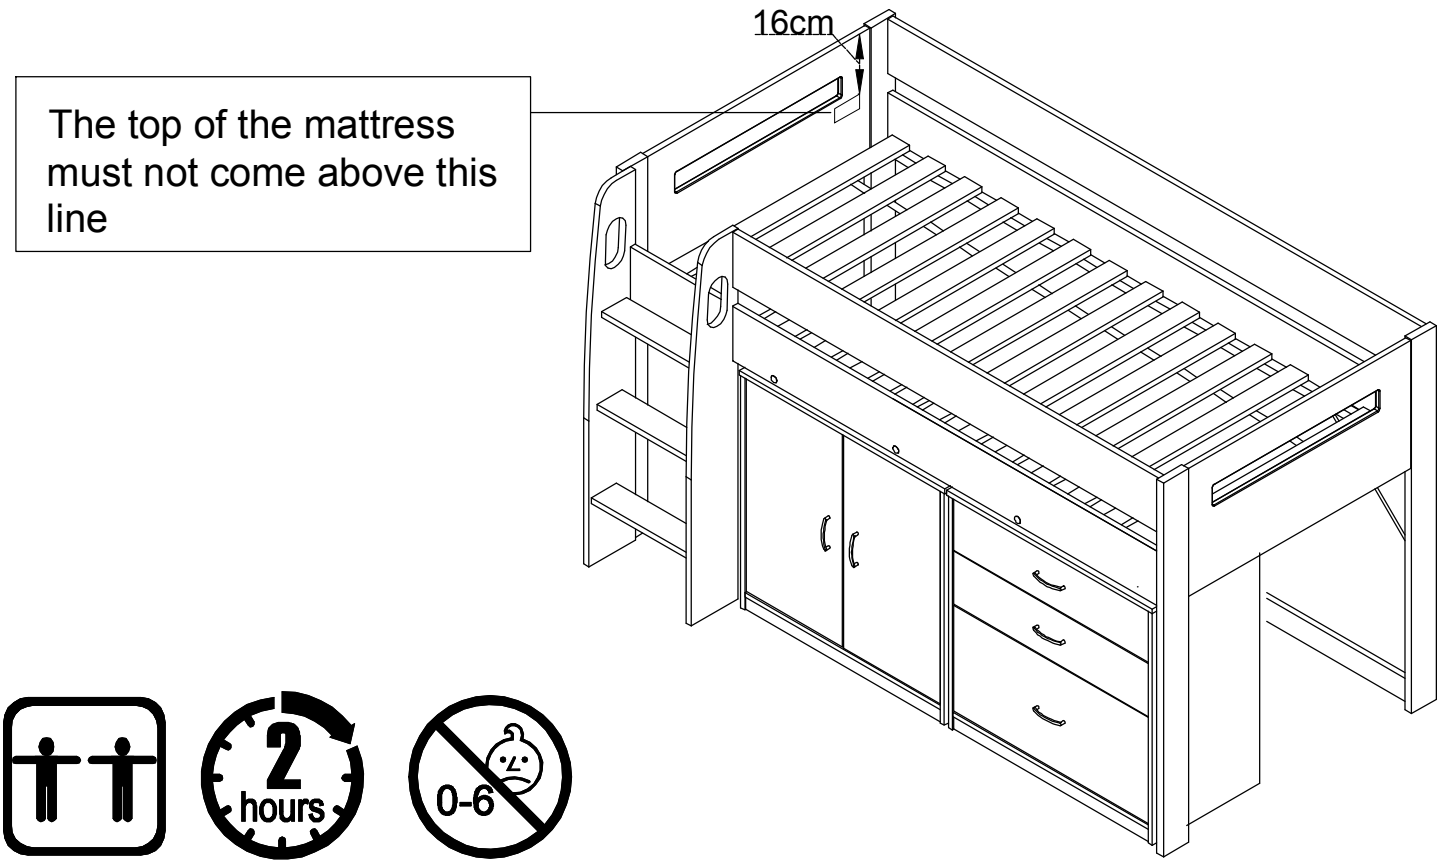

WARNING - Children can become trapped between the bed and the wall, a roof pitch, the ceiling, adjoining pieces of furniture (e.g. cupboards) and the like. To avoid risk of serious injury the distance between the top safety barrier and the adjoining structure shall not exceed 75mm or shall be more than 230mm.

WARNING - Do not use the bunk bed / high bed if any structural part is broken or missing.

- Always follow the manufacturer's instruction.
- Prohibit horseplay on or under the bed. Always prohibit jumping on the bed.
- Prohibit more than one person on high bed and upper bunk.
- Always use the ladder for entiering and leving the high bed upper ged.
- Only use a mattress that is 1905mm (75") long and 915mm (36") wide on upper bunk bed. The top of the mattress shall be at least 160mm (6-1/4") below the edge of the safety barries.
- Ensure thickness of mattress below the mark that had been made at the entrance of upper bunk.
- Ensure that ventilation of the room is necessary in order to keep the humidity low and to prevent mould in and around the bed.
- All assembly fastenings shoud always be fightened properly and that care taken that no fittings are loose.

WARNING - Do not use any power tools at this may damage the frame and will invalid any claim.

This item comforms the European Safety Standard - BS EN 747-1:2012+A

General Care

Wipe clean with a slightly damp soft cloth.
Avoid the use of all household cleaners and abrasives.
When moving your furniture, carefully lift into place. Never dray or push the pieces across the floor as this will cause damage to the joints and could result in failure to the product that will invalidate the warranty.

Recommendations

Periodical re-tightening of fixings.

Warning

This bed frame is heavy. Please use an assistant when lifting.

Notes

We've tried to make this bed frame as easy to assemble as possible. In the unlikely event that you have problems putting it together or damaged of missing pieces , please contact your retailer directly you purchased it from who will be able to resolve any issues.
